*In Attendance: George Adair, Director, Public Utilities  
Richard Hendershot, General Manager, Electric Div.

**MOTION WAS MADE TO APPROVE THE BID WAIVER FOR CONSTRUCTION ADMINISTRATION SERVICES BY THE FIRM SILVER/PETRUCELLI AND ASSOCIATES FOR THE ELECTRIC DIVISION GARAGE.**

**MADE BY: LAFFIN  
SECONDED BY: LETOURNEAU**

Mr. Hendershot explained that they want to retain the architect of this project and that's why they are here for a bid waiver.

Councilor Fishbein feels that this body likes to go out to bid for projects and he doesn't feel we should do a bid waiver.

Councilor Marrone doesn't understand why we waive any bid. He believes we should just go out to bid and asked what's the harm?

Mr. Hendershot replied that the harm would be someone else interpreting the architect's plans and noted that may not be a good idea.

Mr. Adair stated that Silver Petrucelli won the bid to design the building but the construction administration services was not part of the RFP so we are looking to waive the bid to keep them part of the project.

Councilor Marrone asked if Petrucelli has already designed it and Mr. Adair replied yes and indicated they just want them to see it to completion.

Councilor LeTourneau questioned how many architect firms bid and Mr. Hendershot answered at least six. Mr. LeTourneau then confirmed that this is just for consulting management and Mr. Hendershot answered yes.

Councilor Laffin remarked that he is comfortable with this.

Councilor Fishbein asked if we are correcting an error in the original bid and Mr. Hendershot stated that he has never done this before but he would want this included if he was to do it again.

Mr. Hendershot explained that they are asking for the money now because this is the money to build the building and all funds must be in place in order for the bid to be awarded.

Councilor Sullivan confirmed that this garage will secure about 2 million dollars-worth of our property and Mr. Hendershot replied yes all of our nine trucks which are locked in fenced-in yards.

Councilor Sullivan asked if all of their trucks will fit inside and Mr. Hendershot answered yes.

Opened Public Hearing at 7:13 p.m.

Chairman Cervoni convened the public hearing and stated that the \$1,839,425 2017-2018 Capital Improvement Program bond ordinance which is the subject of this public hearing is available to the public and may be obtained at this meeting from the Town Clerk.

Councilor Laffin moved, and the motion was seconded by Councilor Shortell, to read the title of the ordinance and to waive the reading of the remainder of the ordinance, incorporating its full text into the minutes of this meeting.

Paul Chiardullo, 2 Bayberry Drive, questioned if this ordinance was not approved, would the town be able to purchase these items and Mr. Bowes answered no.

Mr. Chiardullo feels we are taxing people in order to bond these items.

Chairman Cervoni called the public hearing adjourned.

Closed Public Hearing at 7:19 p.m.

Councilor Sullivan moved, and the motion was seconded by Councilor LeTourneau, that the ordinance entitled:

"AN ORDINANCE APPROPRIATING \$1,839,425 FOR THE PLANNING, ACQUISITION AND CONSTRUCTION OF VARIOUS MUNICIPAL CAPITAL IMPROVEMENTS 2017-2018 AND AUTHORIZING THE ISSUE OF \$1,839,425 BONDS OF THE TOWN TO MEET SAID APPROPRIATION AND PENDING THE ISSUANCE THEREOF THE MAKING OF TEMPORARY BORROWINGS FOR SUCH PURPOSE," a copy of which is attached hereto, be adopted.

Councilor Fishbein asked why these projects couldn't happen and Mr. Bowes replied because it's done by ordinance. Councilor Fishbein then asked where is the income from the bonds shown and Mr. Bowes stated it is not shown unless you sell the bonds. He then asked where the debt service is in the budget and Mr. Bowes answered there are no outstanding bonds out.

Councilor Testa remarked that they have had this conversation before and that this is a mechanism they've used to fund CAP and NON and it's been determined to be the most efficient way to let the Finance Department get things done.

Councilor LeTourneau questioned if this didn't pass tonight, could it come back to us and Mayor Dickinson replied that it is difficult and it needs a 30 day waiting period for these projects to get done. He went on to say that this is how we authorize these projects. He explained that the ordinance itself authorizes the projects but how we pay for it is a different matter.

Chairman Cervoni stated that the actual ordinance is appropriating money for projects and secondly, if needed, we bond for the money.

Councilor Fishbein remarked that that fact that we have never bonded is news to him in the last twelve years. He then asked if we approve the budget, doesn't this part get approved? Mr. Bowes replied that the ordinance stated we have to appropriate this way.

Councilor Zandri questioned if the second part of the ordinance was removed, if we could use the money and do the projects. Mr. Bowes responded that he cannot answer this because it is a legal question.

Upon roll call vote the ayes and nays were as follows:

Councilor Fishbein commented that the pension fund was reduced by \$47,000 per Mr. Bowe's memo and then asked why not reduce it by \$100,000.

Mayor Dickinson responded that the memo was sent because the pension amount is based on the number of employees and salaries.

Councilor Shortell seconded the motion.

Councilor Fishbein stated this is an opportunity for him to talk about the ambulance situation. He went on to say that this body doesn't have a lot of information and they were told the enterprise fund was working well and all of a sudden on April 1<sup>st</sup>, it wasn't working. He stated that the council was not part of this decision and this is not being part of a team. He then remarked that they could have gone out to bid for ambulance services.
