In Attendance: Scott Hanley

Mr. Hanley stated the budget is pretty clear but the cameras are nine years old and next year he will be asking for new cameras. He went on to state it was \$45,000 nine years ago and that was a grant from the state, \$40,000 of it, which no longer exists.

Councilor LeTourneau asked if the money is still coming out of cable bills but not going into grants or is it just being swept into the general fund. Mr. Hanley replied it is just going into the general fund. He explained that the cameras are getting grainy and they need replacement.

Councilor LeTourneau asked if the Council puts in \$25,000 this year and \$25,000 next year, would that work. Mr. Hanley answered yes and stated we have done that in the past.

Chairman Cervoni asked Mr. Bowes if that actually works. Mr. Bowes stated yes, it could be an appropriation carried forward.

Councilor LeTourneau then asked where we would put it. Mr. Bowes replied we would establish a new line item.

Councilor Zandri asked if we reduced staff once we redid the cameras. Mr. Hanley replied yes and said they have an opening now.
