RE: Underground Storage Tank Removals / Abandon in Place

To Whom It May Concern:

The Wallingford Fire Prevention Bureau has, in the past, conducted visual inspections during Underground Storage Tank removals and Abandonment in Place. This Program had been discontinued roughly a year ago, however we are reinstating it. Please follow these guidelines for a compliant removal:

- ✓ Any contractor hired to remove a residential underground heating oil system must be registered with the Connecticut Department of Consumer Protection as a Home Improvement contractor.
- ✓ Please schedule Inspections no less than a week prior to removal date.
- ✓ Contact the Wallingford Building Department (203)294-2005, for permits.
- ✓ Get a "Call Before You Dig" number
- ✓ Fill out an Underground Storage Tank Removal Form, available from our office and soon to be available on Town of Wallingford website – [www.town.wallingford.ct.us](http://www.town.wallingford.ct.us)
- ✓ Visit State of Connecticut DEEP website for further information, copy and paste the following link - [www.ct.gov/deep/cwp/view.asp?a=2692&q=322578&deepNav\\_GID=1652](http://www.ct.gov/deep/cwp/view.asp?a=2692&q=322578&deepNav_GID=1652)
- ✓ Submit to this office, the soil sample analysis.

Any further questions, please contact this office Monday through Friday, 8:30 am – 4:30 pm at 203-294-2766.
