

Senior Medical Transportation Program!

Volunteer Drivers are available to provide safe transportation to seniors ages 60 and older in Meriden and Wallingford who cannot otherwise get to their medical appointments outside of town.

This free service will drive the senior to and from appointments outside of Meriden and Wallingford. The senior must be able to get in and out of a car on their own; we have no availability for walkers or wheel chairs.

People in need of rides are asked to call at least five days before their appointment.

To make an appointment or for more
information, please contact RSVP!
