Social Service Report Joann Hummel Social Service Coordinator Month: August 2022

During the Month of August there were 185 units of service completed. As a Choice Volunteer Counselor, I assisted several beneficiaries who will be turning 65 and inquired about Medicare, Medigap and Advantage Plans, and QMB. I also assisted and completed DSS re-newel forms for members. The monthly Beneficiary Contact Forms were completed and sent to Agency on Aging as required.

Several calls from local residents who no longer can afford their increase rent inquired about new housing. After several days of calling a variety of housing systems in the South Region of Ct, it was confirmed that there is no current available senior low-income housing in our town, or within a 30 minute drive from Wallingford. Several housing resources were contacted including 211 for a list of low income and Congregated living communities; Hamden Housing Authority; Luther Ridge in Middletown; Victoria Garden; High Meadow and several others who all have a wait list. I made several requests for applications to help the needed seniors to go on a wait list.

Free internet from Xfinity for seniors who are eligible was completed. The application had to be done on a computer.

Several suggestions to local home care agencies were given to family members; as well as, the Agency on Aging as another resource for them.

I received calls requesting my assistance after wellness checks in the community were completed by the police, fire department, community Social Workers from Masonic or concern citizens. I provided resources to contact local home care, energy assistance, food and or transportation resources to further help their needs.

My ride and 211 transportation information were secure and requested applications for needed members. The 211 transportation will provide rides outside of Wallingford. One must give 24 hours' notice to request the ride outside of Wallingford. They approve rides as long as it does not exceed \$25.00. There is no cost to the person. The community may use the transportation up to 6 one-way trips or 3 two-way trips per week.

Grief counseling and other emotional wellness have been provided through the month.

Qualitative Statement:

This month of August has been a busy month. We started the month with a pizza luncheon and ice cream sundaes. We enjoyed an outdoor picnic with fresh sandwiches from Lakeview and ice cream sundaes, followed by a game of corn hole. We were able to get out and walk the trail behind us a few times, weather permitting. We did grow some vegetables we were able to share with our members. All enjoyed the few cucumbers we got. Some took home a few of the eggplant we grew as well.

We have been very busy with inquiries about our program. Three new members started this month. We are actually full a day or two which has not happened in a long time. This is exciting for our program.

We look forward to the beautiful colors of fall and some time to be able to sit outdoors in the cooler weather.

Warm Regards,

Debbie Markiewicz Memory Lane Coordinator
